FROM THE PRESIDENT
C O N V O C A T I O N S

As these lines are written, there are just over 100 days remaining of my Presidential term of office, before the Convocation of the Section in Sydney.

The triennial term total of nearly 1100 days has passed quite quickly, in retrospect. The beckoning prospect of our Convocation and Induction Ceremonies of Sunday 15th May 1988, within "COO-EE" of Sydney Cove, in the exciting city of the Bicentennial Celebrations, will serve as a fitting climax to my presidential term.

The attendance of our I.C.D. President; FRANS LANKHOF, of Amsterdam; and the Secretary-General of I.C.D. -- FRANKLIN KENWARD, of Miami, Florida, will enhance the proceedings to heights of Bicentennial brilliance.

On coming down to earth, out of the orbit of flights of fancy, let it be stated here and now: it would be extremely difficult to reproduce the superb spectacles of the BRIDGE, the HARBOUR, the FLEET and those FABULOUS FIREWORKS.....

It is needless emphasis at this stage, to indicate that the Induction Ceremony promises to be the absolute highlight of the entire proceedings.

The attending candidates will be dubbed as "FELLOWS OF THE INTERNATIONAL COLLEGE OF DENTISTS", in the simple, sincere and solemn ceremony of welcome and inclusion, which the Section observes in the conventions of academic pageantry of our College.

Some three months ago, on November 5th 1987, in BRISBANE, a Convocation-Dinner Induction-Ceremony was organised.

A total of six candidates were duly inducted by the Section President. He was assisted capably by Fellow NEIL HENRY as Acting Registrar, with Fellow BRUCE JOHNSTON as Acting Deputy Registrar.

The photographic recorder was Fellow JOHN SAGAR, in association with Fellow "PETER THE FLASHER" RYAN.

The ceremonial proceedings preceded the Dinner in the Amber Room of the Coronation Motel. The candidates were presented individually, and inducted formally into the College. In alphabetical sequence, they were:

MICHAEL COOLIGAN and TREVOR DINGLE of Brisbane; KEITH ERIKSEN and DENIS HAGARTY of Townsville; RICHARD OLIVE of Brisbane and JOHN PEARSON of Tenterfield N.S.W.

They were bidden a warm welcome into the ranks of College Fellows, with our expressed hopes for many years enjoyment of the bounties of Fellowship. These bounties could be considered to comprise: an honour bestowed, professional and community service and attainments acknowledged, together with continuing opportunities for service in the College and professional associations, and most of all in the practical applications professional pride and skills.

And now for Sunday 15 May 1988 at the Sheraton-Wentworth, in SYDNEY, where it is my hope to meet as many of you personally as can be managed; and to renew old Fellow-friendships established over these many years.

By the time all candidates are formally inducted and the Officers and the Regents for the next triennium have been installed, I shall have become an instant Immediate Past President, 'deo volente'.

In thanking all of you fine Fellows for granting me the privilege and the opportunity of these past three years of office, I would like very much to wish each and every one the enjoyments of the benefits of good Fellowship throughout 1988.

And finally and especially, I extend a warm welcome to the recently elected Fellows of the Australasian Section.

R.J. DINGLE

NEW PROJECTS REQUIRED

The Board of Regents is looking for new projects in which the Section might become involved.

Over recent years the Section has sponsored the following:-

1. Supplying Textbooks and Journals to the Dental Association of Burma.
2. Providing the Dental School Libraries in Australia and New Zealand with Textbooks.
3. Providing a Consultant to a Dental Seminar in Port Moresby.
4. Supporting a study on Oral Health in Tonga - the College still has an ongoing commitment with this project.

The Board is seeking further worthy projects to support, these can be within Australia, New Zealand or anywhere relative to the Section. Whilst desirability with an "international flavour" this is by no means essential.

Fellows let your imaginations run riot, expand your charitable horizon, come up with some suggestions.

The Board would enjoy being embarrassed with replies. Let our Registrar know as soon as possible.
