Australasian Section

Newsletter

MAY 1991

FROM THE REGISTRAR

At the meeting of the Board of Regents held in Adelaide on 16th. March, 1991, the following were elected to office for 1991-1993:

President:	Dr. Sydenham DOBBIN, AM
Vice-President:	Dr. Spiros HALIKIS, AM
Treasurer:	Dr. William E. CHALMERS
Registrar:	Dr. Geoffrey C. HALL
Regents:	Dr. W. Donald HEFFRON, CBE
	Dr. L. Peter RYAN
	Dr. Thomas SPEED
Immediate Past President:	Dr. Robert Y. NORTON, OBE

The Board decided in its wisdom to appoint an Editor for its newsletter publications and Dr. Ryan has agreed to fill this role.

It is intended that all Fellows will receive a Newsletter within the next few weeks, including a report of the recent Convocation held in Adelaide.

The Board also recommended that a complete list of names of Fellows of the College be sent to all Fellows for their information. This list, which is included, will be updated from time to time.

Geoffrey C. Hall
REGISTRAR

FROM THE PRESIDENT

The International College of Dentists was created to recognise ability, to promote ethical practice, to honour meritorious service, to promote cordial relations between practitioners of the healing arts, co-operation with members of the various organisations interested in the progress of dentistry and to endeavour to promote and diffuse dental knowledge.

That these fundamental statements are true was borne out at the recent Adelaide Convocation when we were able to see the calibre of the new inductees. The College continues to offer membership to the top members of the profession. It is good to see that so many combine their successful professional life with outstanding community achievements.

It must be remembered that the College has not been founded for the purpose of increasing the prestige of the individual. With this in mind, our present College cohesiveness will continue and we shall go from strength to strength.
